

## Neo Workstation

Built for Dynamic Learning Environments

### DESCRIPTION

The **Workstation** is a practical and versatile solution designed for modern educational environments such as classrooms, training rooms, and laboratories. Its compact, space-saving design allows it to be easily positioned alongside learning stations, collaborative areas, or instructional zones, making it ideal for dynamic teaching Spaces. Combining a robust work surface with a convenient optional upper shelf, it offers ample space for teaching materials, digital devices, and classroom tools, keeping essential resources organized and within easy reach for both educators and students.

OPTIONAL  
MULTI-LEVEL STORAGE

ROBUST  
STRUCTURE

QUICK AND EASY  
ASSEMBLY
